"Mixed Martial Arts" where different disciplines fight against each other
Have na intentian af using Juda!
Except far training and in Juda competitians I-
...it's still the same!
!!
Oh oh oh~?

Are you serious about that?
!?

!!
It's no like he doesn't possess the speed to dodge..
Didn't even flinch?
Why is this-
This guy-
You've got concrete for brains right squid?
hmph!
!!
Even if you don't stop it won't make a difference... as Daigo's shushou I have to take responsibility for his mistakes...

But how dare this moron do that to Toshi-niichan
Misugi, stop, stop it right now!
I'm not us no Judō either!
ARGH!
YOU RUDE PERSON!
Please excuse me...
That's
That's true
This is no longer any of your business!
...
!!

What more do you want?

I I don't have any business with you
But...

!!
Kotaro doesn't seem to have finished yet...

!!

!!
SNEAKY SMILE

I knew you are really inflexible!
...Shinda senpai I...

Cough cough cough... really... cough cough my woman cough cough Mayumi... cough cough!
Then-
用若力精
Can't "fight"! "Mixed martial arts" match wan't da either!
Let's have a match using "Judo"!
Then how 'bout "Judo"?

If you win then we farget what happened last night and taday—
But-
using using Juda~!?
Wah~!
!!
If I win I want yau ta get back with this girl again!
Ah?
And-
.....
!!
What's yaur apinian?
Haha taasted squid?
To be paid by you!
I want ane millian in "negatiation" fee!
HEY!
That's his real aim—
I accept!
Iga?
Since the fault is aurs I can't really keep an refusing—

BAKA!
You wanna come in too?
Tako you be the referee!
That's not a problem but but-
Ah! Sure...
Sure
So whoever gains an *Ippon* first wins okay?
I have a spare Judogi in my change room-
But the sun is about to set...
Hey Hey !
I guess he must be very confident!
But from the way he suggested using Judo to resolve this...
I don't know either
Your opponent is Shindo senpai after all!
Are you really sure about this?
But he defeated someone who's just about as good as me ?
Though she's a girl
Last time the shushou defeated me using Judo!
Of course he is!
Ah?
Umm...
Is that guy really good at Judo?
Wa Watase senpai! What's going on?

This... this...
I should be mentally prepared taa !
CRACKLE
TARU
Hey hey hey~!?
I've heard that many Karate experts are alsa in the tap ranks af Juda as well...
That girl is apparently na slauch either!
Misugi's-
might be...
But but if you think about it...
But...
What a complex thaught pracess...
If my beloved Toshi-nichan is defeated by that baka senpai how depressing would that be...!
12
Sarry ta have kept yau waiting!
But...
To bring love back from the dead!
Big Chance-

This is the first time in my life that I, Kotaro, have worn a Judogi!
Mmhmm! Does this look good, you damn squid?
!?
Yawn, baby!
It's all over!
Such a harsh fabric. My skin is rubbed raw!
that's how it is
Stop messing around!
First time
in his life?

Every every one!
No matter what
The duration of the match is five minutes! No extension!
By the Kodokan rules the victor is the first to win an *Ippon*!
I should be able to manage defensive moves at least...

Rei—bow. Basic courtesy at the start of each match

Hajime—Begin!

HAH!
I must finish this match as saan as passible!
The shushou wants to do the seoinage!
Boo hoo it's all over
He wants to defeat the senpai in one go!
Ah? The shushou is on the offensive?
Impotient squids such as you

I DON'T LIKE!
This is Karate's "Bogyo"...?
He didn't just block my attack with his hands...
Urr...
"Bogyo" - defense that is also offens See notes
!!

Mae Geri - the literal translation is "lower kick", but a front kick can mean all kinds of things

Yuko effective see notes

Umm that is~?
Did he use a kick just then?
THAT, THAT WAS YUKO?
Eh?
naw I knaw
That's what it was!
That was a perfect "Ashi Harai"!
Aren't you a black belt?
The timing was very gaad taa!
The senpai madified his mae giri slightly and used his instep ta sweep at the shushau's ankle
San sh ro
Ashi Harai/Barai - "Foot Sweep
Not just "Yuko"
sameane wha can manage a yuko against the shushau?
Hey hey! Do we have a guy like him in any of the school's other Judo clubs?
Maybe there's still a ray of hope for me
Shindo senpai he-
Maybe-
!!
so that's it this is what "All the world's martial arts ultimately follow the same principles" means !
"Ippon"!
If he had a hold on the upper body as well it would have been-

See notes

To have intended to finish the match as easy as possible-
was plain arrogance on my part!
Is beyond being an expert!
Why are you looking so squid stuffed with rice?
Hey toasted squid!
squid stuffed with rice
sullen and not n ce you mean
Yes a Japanese pun
If your poor little hands hurt why don't you give up the match now?
I Iga
.....
OK!
Right hand
Left hand can move...
GLEIGH!
GLEIGH!

It's still good!
You just don't get it do you squid!
EH?
stop
!?
AH!
!!
I won't fall for the same trick twice!
No matter how good you are-

KOTARO HAS BEEN CAUGHT...!

From the Publisher

Due to the tremendous reader response to the 4 panel comics in volume 2 here's another series in volume 3 for the reader's enjoyment!

Bogyo

Unable to find the satisfactory (to me) karate jargon in Japanese for this term. The original used literally means "Tolerate Collapse" and may relate to both *Kuzushi* (unbalance) in Judo and the idea of *Kyushu* (absorb) in some traditional non-sporting Karate-ryus.

The basic idea is that there is no distinction between defensive and offensive moves. Each move you make is a combination of both. Kotaro demostrates this by chopping at Iga's wrists when the Judoka attempts to close in - not only does he block the attempt he also inflicts some serious damage on Iga's wrists.

Judo Scoring

Ippon = one point. Immediate victory.
Waza-ari = near Ippon. 2 Waza-ari's = Ippon.
Awasete Ippon = "Half point" equal to above.
Yuko = Effective.
Koka = almost Yuko.

The scoring system will be continue to be revealed in more detail throughout the series under a variety of circumstances.

"All Martial Arts..."

The idea being expressed here is that all martial arts share the same basic principles and once you are the master of one the others holds no mystery to you and can be easily defeated or even assimilated.

"M-ra's Goof Up"

Sure!
M-ra go buy some thing for me!
Ah, why did I bring the draft out with me?
ERA
I'll leave it in the hall and pick it up when I come back
Geez. The only time I manage to [illegible] (my personal opinion)

You don't even know what o "Neko Yanagi" is?
No no we do know but
You guys are so ignorant..!
What on earth is that?
Neko.... Neko Yanagi?
There's o neko sitting beneath the willow!
So it's called the "Pussy Willow"!

You call that an imitation?

WAAAAZZZZAAAA!

A bit of Judo jargon floating around in the past few pages so let's do a quick summary of general types of "waza"s

waza - "techniques"
tachi-waza - "Standing Techniques" Techniques used while upright
ne-waza - "Lying-down Techniques" For use when down on the mat
nage-waza - "Throwing Techniques"
katame-waza - "Grappling Techniques" May be both Tachi or Ne
shime-waza - "Choking Techniques" Choke holds and such
kansetsu-waza - "Joint Techniques" Ways to apply pressure to joints
tokui-waza - "Favorite Technique" i.e. a technique that the user is especially good at
osaekomi-waza- "Pinning Techniques" Used to hold down opponents

There are also other wazas used as part of Judo jargon but they describe which body part does what

!!

You're just ahead on points!
You are mistaken, senpai...
but the time in which I can afford to slack off and fudge around in has just ended
It might be rude of me to say this to the senpai
This casual attitude
From this moment on

Training and more Training

Let me say now that no drugs are used as part of the studios training regime...

Da Scanz

This particular chapter's graphics side of things was completed with the assistance of Purin (see da credits?) who removed the Chinese text from the original scans

This is not as easy as it sounds SKM is quite action packed and there's a lot of "thinking" going on which are often placed by the editors (or Hiruta-sensei himself) at inconvenient spots

On top of that is the fact that Japanese (and Chinese) are both written vertically while English is horizontal There are inevitably (at least when I am inserting the translation) some parts that need to be modified redrawn removed

In a way the editor of a manga scan is both the creator and destroyer they might redraw parts of the graphics that were overlaid by text or they might slap text on the original graphics

It's not as easy as we make it look ;)

.....
Um... about this... Igo ...!
But the one who is standing here in front of me now-
you really can't consider the senpai to be a stranger to Judo ...!
If you look at either the "Sumi Otoshi" or his ne-waza counters...
He's kissing his ass again.
is the martial arts' super genius- Shindo senpai!
There is no chance of winning!
Without giving it one hundred percent-
!!

Ah... that... that might nat be haw I should've put it...
Right?
if you give it one hundred percent, you can win?
Then what you mean is
OH~?
Why why do you
Toshi-nichan...?
4
There's a problem with haw you put it this time taa
so you can BREAK OFF with a poor little girl like me?
want to try your hardest
.....
What I said earlier was rather harsh!
Misugi...
Boo hoo?
That is sa harsh an Misugi-senpai!
Squid-senpai you are sa cruel!
Kum, you shouldn't call him Squid
Very well then...

I won't break off with you.

6
Hoho! We should've been on good terms with the rich people from the start!
Which means-
Whether it is one million or two million, I can pay for it out of my pocket money
Then there is no point to this match
But... but now that the two of them are back together again
WHAT?
You want my "compensation" money to be "no point" too?
That you don't have to worry about

If something unfartunate happens I will pay far yaur funeral taa!
yau dan't have ta warry abaut the medical bills either just relax and let Tashi-nichan thraw yau!
THE DAMN BITCH...

Cantinue the match!
Stap warrying abaut thase unimpart-ant things

-Taka!

Sure... sure thing...
But shauldn't we at least clase the windaws?

Damn~ I don't care what you do any more...!

Taka!

YOU NUTS? JUDO IS A SPORT THAT MAKES YOU ALL HOT AND SWEATY ONCE YOU MAKE A SINGLE MOVE!

In that case-

AH....
How come the shushou is so fost?

He has managed to upset my rhythm!
If I don't get a "Space" quickly-
And get my rhythm back...
HYAAH!
OH NO!!
Oh...

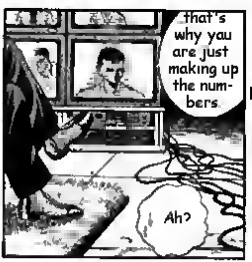
What?
HMPH!
Is this for real?
Before the opponent touches the ground-
He con catch up ond hook their foot..?
What an un-believ-able speed!

If he had o hold back then he could have won!
Man— what o pity!
HOLD IT! OUT OF BOUNDS!
If you had the time to commentate why didn't you dodge?
You are an unbelievable idiot too!
that's true
Do you want to go cheer from the other side?
What's with his dumb luck!
He really can't argue that one
So that's it! He's really a squid in sheep's clothing !
Damn it~!?
If this is your "secret weapon" I won't be falling for it again!
I have re-entered the data into my head now!
how dare he multiply his speed so much with no warning!
His previous rhythm was nothing like this at all
But!

17

This guy's life is also "Oh well no big deal"



I am mistaken?
My Kinda ichi solution accuracy is 80% you know!
The sole weapon that I can claim to be "confident" about...
Shindo senpai...
HAJIME!
What I am really interested in seeing is

There is only the "Seoinage"!
Toshihiko Iga's "REAL" Tornado Seoinage!
!?

You can surely beat him this time!
Shushou! Do the "O Uchi" again!
Grr...
HMPH-!
Do the Kuki-nage again!
You must win!
Really- Kotaro, at this point-
That explains why the "God of Povery" blessed Shindo senpai can't beat my Toshi niichan!
The "Goddess of Victory" is smiling down upon Toshi-niichan now also!
With his getting back together with me, Misugi-

HO
HO
HO
don't get too close to them
It's a frozen import right? Only that kind of fish shows up in a commoner's kitchen
Correct...!
Something good cookin' on the table tonight~!
We have an entire snapper over here!
A party to celebrate the victory will be held at an exclusive restaurant owned by the Misugi family tonight!
shush! Look at this!
Sanshiro! Why aren't you cheering?
Our chef was in charge of a top restaurant in Paris before we hired him at great cost you know!
Hmph! It's the skill of the cook not the cost of the goods that makes a good meal!
3

just the hair

He...
He is dancing...!?
This kind of rhytm is
Could this be...

Could this dance... be the rhythm that forms the basis of all the shushou's techniques?

That was the-
He dodged it and Shindo senpai was swept off his foot instead!
Didn't the shushou sweep Iga senpai off his feet?
Why-?
A WIN for my Toshi-niichan!
Didn't you see it clearly?
Ah?
oh, is that what happened?
Very-good! Very-good! If we finish the match now, there will be no more problems!
No that this but
Sanshiro you baka!
He could actually see it?
sorry
super baka baka
My "Queen of Sudden Death" title isn't just for show you know!
Of of course!
Ipp...

Sanshiro! You are such an idiot
Yu-ko!
So that means he hasn't lost yet?
But, since the senpai at great effort kept his back from the ground it is at most a "Yuko".
That bloody squid! He has sped up the rhythm yet again!
That was too close! Even if I knew you would not let me attack the same way twice !
Could what he meant by "mistaken" actually be
hold on!

Use your last weapon, that ultimate "seoinage"!
Hurry up and use it!
!!
Iga is after all an expert himself sa why is he dragging his heels?
Hmph!
Alang with the tapes fram the match it shauld be enaugh far analysis?
And filmed them all-
But But sir We've already seen the "Tarnada Seianage" quite a few times
Tachihika Iga has not yet-
Yau can spend the rest af yaur life as a stand-in then!
AH?!
.....
Sa why bather naw-
Used his real "Tornado Seoinage"!

Not enough...
I can't hit his weaknesses accurately!
Even if I want to use "Bogye"
going so fast-
He's upped the speed again
Bleh!
No! enough No! enough

This damn squid...
is really trying to defeat me!?
14
It's awe-some!
it's
Can't even see their hands grab at each other!
odd?
Iga shu-shou has been trying to...
grab hold of the senpai's left lope!
and what if he does...
manage to grab it?

!!
He's finally grabbed the opponent's hand
From the looks of it-
...it will appear!
Even if there is no more secret weapons his speed alone
It might just be-

!!
What if this squid really uses that Seoinage he likes so much right here?
This...
This won't do!
If he grabs the left lapel...
It is sure to be-
o big prob-lem!

Dis... disappeared!
Invisibility power up?
The shushou's attempts at grabbing the left lapel is a trap...
The shushou isn't going for a "*Morote Seoinage*"!
Morote - "two handed"
The real "Tornado" is in fact...
!!?

IPPON SEOINAGE

OH NO!

shushou?

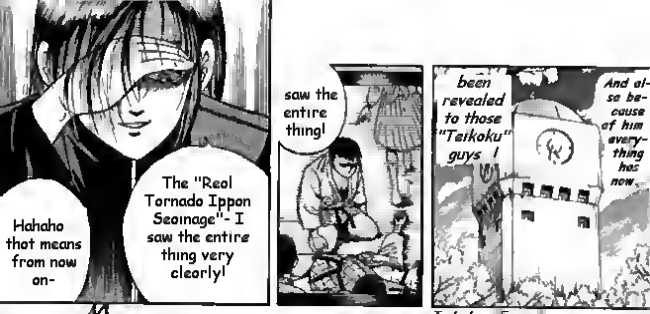
What should be the hot sweat of heavy exertion...
Suddenly become cold as ice....
Elbow elbow strike!
Could it be

...No!
Could this guy have....
When it had reached that point already
that the match was never meant to be decided using only Judo?
12
But to have forced Iga to bring out his ultimate move – Shindo senpai is really good!
And no wonder..! He took a "Tornado Seoinage" full on..!
GLANCE
KOTARO!
!!
Shin – Shindo senpai?
Oh oh dear!



Hahaha that means from now on-
The "Real Tornado Ippon Seoinage"- I saw the entire thing very clearly!
saw the entire thing!
been revealed to those "Teikoku" guys!
And also because of him everything has now
Teikoku Empire

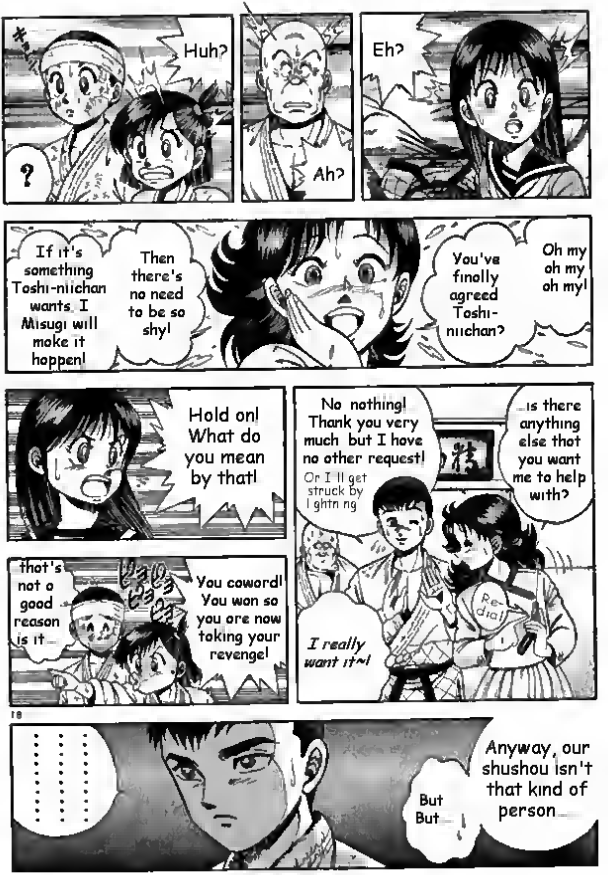
No one can stop us, the "Teikoku" Judo Club
Tsurugamine Private Semor Highschool
"Teikoku" Judo Club Shushou
Shinkutaro Mikado
-from achieving total and absolute victory!

But no matter what..
The speed of the Shushou... you can almost say it's at the "Shingi" level!
And this "easier" is reflected in in the speed difference....
For a seoinage, "Ippon" is much easier to do than "Morote"
Shingi - "Divine Skill"
"Ippon"
"Morote"
To be in the same club as an expert like him
I'm so lucky!
"By skill, not brute force"
Igo shushou is a Judoka who truly appreciates its meaning!
...that's right! ...this is "shingi"!
really... well for Kumi I guess it is rather unfortunate
3rd?
Doesn't that mean I'm now in third place ?
The shushou he actually lost !

Shindo senpai might be the most unfortunate
An Akaishi Snapper, whole! And how about a dash of citrus to go with it!
The main dish? Let's make it seafaad
In the end who was his sacrifice for?
I want to reserve the entire restaurant for a big PARTY!
-Carrect! Ta celebrate Tashiichan's victary and us getting back tagether again-
-there's prior reservations? Just refund them the money!
15
Ah?
I have a small request ta make af yau
Misugi! Farget abaut the celebratian far a mament-

Something that Toshi-nichan wants?
Hello bzzt
Only I can make it come true-
Hello? Miss?
So I hope you can agree to my request
Only you can make it come true
Will you agree to my request?
Misugi I beg you
For tonight I wish to book a royal honeymoon suite!
No, no, that's not what I meant!
It's me, Misugi!
Hello? Is that the Prince Hotel?
Heart Pounds
6
About what you suggested today I want...
...the fault was mine and while I did not accept your offer back then...
In fact
And I was about to give it up to you too

I want to build our NEW DOJO!
Right on Kyokutan-ryu's piece of land!



Huh?
?
Ah?
Eh?
If it's something Toshi-niichan wants, I Misugi will make it happen!
Then there's no need to be so shy!
You've finally agreed Toshi-niichan?
Oh my oh my oh my!
Hold on! What do you mean by that!
No nothing! Thank you very much but I have no other request!
Or I'll get struck by lightning
—is there anything else that you want me to help with?
Re-dial
I really want it~!
that's not a good reason is it—
You coward! You won so you are now taking your revenge!
18
Anyway, our shushou isn't that kind of person—
But But—

Ah hail
By the way, Saigo
There is no place in the First Judo Club for some one like you who uses Judo for fighting!
!!
You have been EXPELLED
Starting from this morning
Only now did I remember..!!
I've been having terrible luck...!
AH~!?

Nomura, can you try take this more seriously? Do we have a white cat in the studio?

Akaishi Snapper

The snapper (or bream) is a favored target for sashimization. It features prominently in the classic sushi manga "Shouta no Sushi" in a variety of forms - sliced, diced, smoked and mulched.

The "Akaishi" is a major Japanese river which is famed for its clear water. There are many species of fish (such as the famous "sweetfish") that inhabit the river, and they are supposed to taste better than fish in inferior rivers" and of course, this means they are quite expensive.

The Clock Tower

In Kotaro Makaritoru, during Kotaro's "incident" with the Ouendan, Kotaro was flushed out of the tower when a water storage tank burst.

It seems that the clock towers have since been retro-fitted with windows.

"By skill not brute force"

The original Chinese translations states "Overcome steel by gentleness" where "Gentleness" is the "Ju" in Judo, which can also be translated as "Soft".

This is still part of the "*Seriyoku zenyo*" ideal laid down by Jigoro Kano. I just got a bit bored of using it.)

ashi harai foot sweep

So some one who uses Judo for fights does not deserve to be called o-
Judoka?
it is many times more powerful than amateur boxers' punches or even a roundhouse kick!
For example if you do an *ashi harai* on hard ground
One careless move, never mind the serious injuries there could even be fatalities!

No. that of course not!
Sa yau twa were really having a fight
what you started this marning?
RIGHT HERE AND NOW - I AM GOING TO FINISH WHAT WE STARTED THIS MORNING!

It's the "Uki Otoshi" this time!
OH NO....
URR!
Ah
Ah...
GAARGH!
See... I didn't adopt the defensive posture at all...
why mistreat yourself like that
...your name's Kumi correct?
Just as Misugi said-
An outsider is in no position to object in this matter
If someone wishes lodge an objection...
It should be from Saigo himself!

SAN-
SHIRO
SAIGO!
IF YOU DON'T FEEL MY DECISION IS FAIR, SPEAK UP RIGHT NOW!

I really don't want to...
That...
I
Not really
I did anything wrong
About this
I don't think yesterday
This...

...withdraw from the First Judo Club....
But....
What I actually said was....
I

I...
...have no objections.
SAN-SHI-RO!
!!
Sanshiro!
Are you really willing to leave the First Judo Club?
Then why don't you tell the senile squid and octopus straight to their face!
Weren't you just defending yourself from the fat pig's bullying last night?
Why why are you doing this?
Say no more.
Kumi
Sanshiro
San
AN ABSOLUTE LOSER!
PLEASE EXCUSE ME!
I
really am...
!!

.....
If you think it's a real problem

Sanshiro wait for me-!

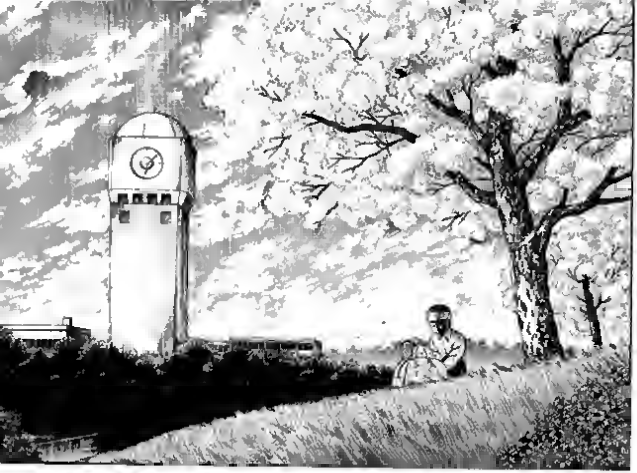
YOU TWO ARE REALLY ABSOLUTE BASTARDS! DON'T THINK YOU'LL GET ME TO EAT SQUID OR OCTOPUS EVER AGAIN!
YOU BAS-TARDS-!

IF SOMEONE WANTS TO TAKE THE LAND BY FORCE, THE FUUKI-IINKAI WILL NOT STAND IDLY BY!
AS LONG AS KOTARO IS STILL AT THIS SCHOOL, THEN THAT LAND BELONGS TO THE KYOKUTAN-RYU KARATE CLUB!

So why does she bother standing up for him?
Not even Saigo himself had anything to say
Why does this girl have so much to say?

but didn't "That Guy" graduate already?
Student Cauncil could "That Guy" be invalved?
I still have ane thing I haven't mentianed
Misugi-and Watase senpai...
Abaut the "New Daja" there's ane additianal canditian
That's nat what I meant.
What that?
Haha~! Da yau mean aur rayal haneymaan shushaus'suite? I've tald them ta include it in the plans already!
YOU BIG NAGGER!
FUUKI-IINKAI? SO WHAT? I HAVE THE COOPERATION OF THE STUDENT COUNCIL!
The Student Council~!?
Who's the "big nagger?
I AM SORRY! DO YOU THINK WE CAN ACCEPT A CONDITION LIKE THAT?
That is the condition for us to be able to build the "New Daja".
We af the "First Juda Club" must win the taurnament
I mean the schaal's internal selectian taurnament in a manth's time.

If you don't win then we pretend none of this never happened right?
IT DOESN'T MATTER IF YOU WIN IT OR NOT-
YES!
...Kotaro you are conscious again...
!!



Sanshiro

But I—
And it's nat like yau didn't try argue my case
It would've came aut in the apen ane day anyway
Na, it's na-thing like that!
It's all my fault far letting slip abaut the Yama Arashi
Sarry—
Nathing like that! Absalutely nat!
Na—
This is all my fault—!
I am really an ab-salute laser-
The fat pig had abviously beaten you you up badly—
Yet you
13
eh?
a little shart an "Fighting Spirit"!
Yau are just-
Yau are definitely nat "an absalute laser"!
Judo it is a very deep and complex martial arts discipline.
Yet you still
"Seriyoku-zenyo" it is absalutely not just an empty ideal
remained true ta your ideals!

OK naw...?
Could it be...?
Thank thank you but-
It's OK naw...
Eh? Na na "Na Hape"! Na that's nat right either that...
That's right- "Warthless!"
Ku Kumi...
But naw-
Since I met Shindo sen-pai and Iga shushou-
Up until yesterday that was what I've been thinking
ta cantinue training in Juda?
Yau dan't intend-
Since I witnessed what "Seriyoku-zenyo" is all about...
But where there's a will there's a way! If I cantinue with Juda I can train anywhere!
It's a pity that I can't stay an in First Juda...
I dan't intend ta give up Juda!
Because...

Great!
...hmm!
If it's the First Judo Club, it's not too far...
.....Ah?
But....!
Judo so much!
I just like....
Ah?
Hai hai-!
Ku Kum!
If he joins another Judo club though...
In the future...
It won't be so easy to see each other....

How dare you have the shushou carry your "private property"?
The club activites is not over yet!
What about your private property?
Hey! You new club recruits giving each other puppy dog eyes over there!
!?
Here comes your bag....
Shu-shou!
Be grateful that I am now giving you a chance to join the Kyakutan-ryu then!
Weren't you kicked out?
The white belt can come along too!
Me?
and that's unfair!!
We are going to put a new sign up on that piece of land!
...club activities even now...
But on the other hand we are short of people...
I don't usually ask guys to join the club-
Wahaha! You are really lucky kid!
He's not listening!
But I do Judo...
even if I can train any where
a chance to join the Kyakutan-ryu

On the Sign: This land belongs to **Kyokutan ryu Judo Division** Karate Club on hold temporarily **Private Property, No Trespassing**

When I pin that squid to the tatami!
Until the school's internal selection tournament in a month's time-
Karate is on hold for now!

Though he had never done Judo before, he was a match for Igo shushou
Could it be-
Hey
Are you interested?
On second thought...
Shindo senpai he...
intends to practice Judo?
Great! From now on we can practise Judo together!
Ah... yeah!
And you Saigo...
Could Shindo senpai he- have studied in depth the "Way of Soft-ness"...?
Reminder Judo = The Gentle Way (or the Soft Way)
and discover your hidden talents....!
Stay by Shindo senpai's side....
Joining fee- ten thousand yen!
Don't exploit this for money!
I never did get to do Karate

Put your pants on!

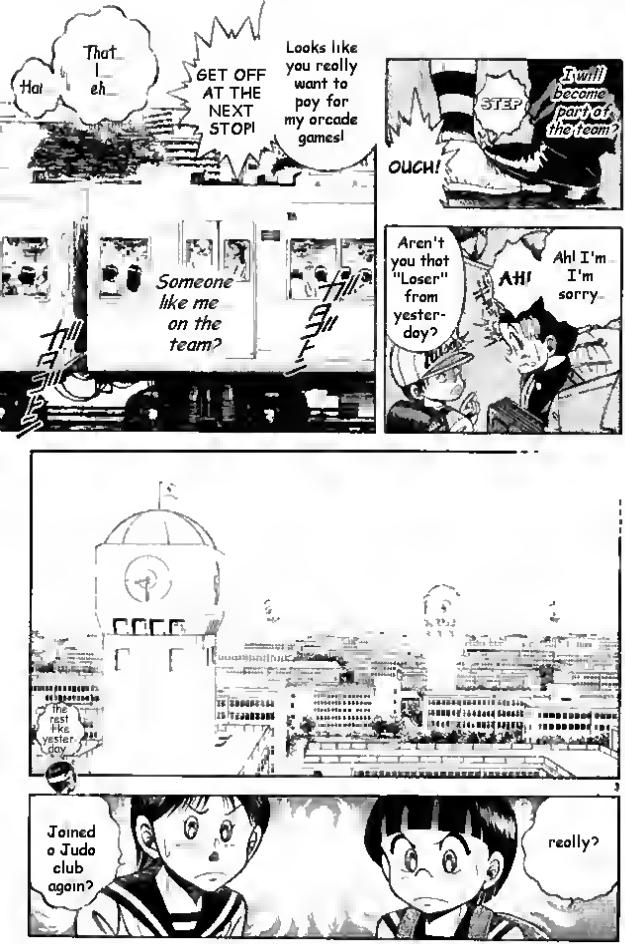
JR

After just one night
I still can't believe it...

To defeat Iga shushou in the school's internal selection tournament!
And the ultimate aim of joining Kyokutan-ryu Judo Club is...

What that means is...
And me?
If you don't count Kumi the female member, then Kyokutan-ryu consists only of Shindo senpai...
But
dr dr

am about to embark on Kyokutan-ryu's Judo struggles?
I with Shindo senpai and the others-
Ya-hoo
None of my business



Hai
That I eh
GET OFF AT THE NEXT STOP!
Looks like you really want to pay for my arcade games!
Someone like me on the team?
STEP
I will become part of the team?
OUCH!
Aren't you that "Loser" from yesterday?
AH!
Ah! I'm I'm sorry
The rest like yesterday
Joined a Judo club again?
really?

Yup!
So back in a Judogi again!
didn't I tell you not to wear it to school
From today we start training intensively for the school's internal selection!
GOGOGO!
And Judo has *newaza* as well
Just like yesterday!
This is getting more and more dangerous
When the kid arrives what gifts do you want?
Under 2000 yen!
Why not gifts to celebrate my coming victory?
I must become a competitor in the women's division-
Then slam that ungroteful Misugi shushou into the ground!
Kumi didn't you know?

Only teams of five are allowed!
There's no category for individual competitors in the school's tournament!
Boh?
Forget about even ranking whether you can compete is in doubt too!
Then then what should I do..?
But but Kyoku-tan-ryu only has one female member and that's me
Watase senpa doesn't count
If you have to go up against the guys-
Ah...!
then don't I have to compete...?
then will I be able to compete?
...if there are only team competions in the school's internal selection tournament...
Ah Hi!
He got beaten up by elemantary schoolers

You're after Kotaro?
Eh? You weren't looking for us?
What brings you to the Fuukiiinkai?
Hey!

Sorry

Oh?
How come you are both here?
Got a problem with that?

But Katara is prabably at the Ouendan laaking far recruits

It's sure ta be full af hidden talents and unheard af experts!

Laaking far recruits!

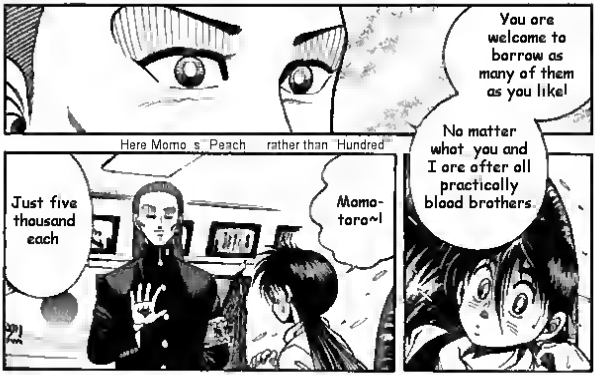
Momotaro Urashino
And I don't want to spend too much time looking for recruits.
Yup!
No matter what it's still not a strength of mine...
Within the Ouendan there are indeed many people who are in Judo's upper ranks-
Certainly more than enough to enter the school tournament!
-however you made a good choice.
...Is that the proper attitude?
So here I am at the Ouendan!
Then I recalled where there are always a bunch of useful guys on call...
No tea?



You are welcome to borrow as many of them as you like!
No matter what you and I are after all practically blood brothers.

Did you see what happened here?
Umm... yeah I did see it...
We don't know what happened either...
But all I saw was something flying over and then it became like this...
Sheesh!

The ones lying here on the ground-
Don't you know-
!?
How would I know?
I'm not the one who got beaten up!
Shindo! What is the meaning of this?
